QAU Welfare Society (QWS) is a non-political forum. Its purpose is to work as volunteer for the welfare of community. It works on humanitarian grounds, therefore any deserving person can be the beneficiary of QWS. It works under the patronage of Honorable Vice Chancellor of the University and is governed by an Advisory Board comprised of university teachers, employee and an alumni representative. The students of various departments works as volunteer. QWS gives financial assistance to a significant number of students in every semester and also carries out welfare activities in natural disasters like flood and earthquake etc. The welfare generating activities requires time and contribution of money. QWS is not being sponsored by any funding body. It generates funds at its own through personal links and conducting fund raising activities at the campus. Obviously the need for funds is much higher than what can be collected from within the University only. In this regard we appeal for more donations. Philanthropists are requested to contribute by giving donations or announcing financial assistantship.

QAU Welfare Society was formed in March 2011, since then it has awarded **Two Hundred and Twenty Two Need Based Financial Assistantships, Worth 36,26,475 Rupees**. All payments, except 18 (serial 128, 157 to 167, 216 to 218 and 220 to 222), were made through cross cheques in favor of university account titled "Fees and Dues". A comprehensive summary of these financial assistantships is given below:
