

WINTER RELIEF CAMPAIGN - 2023

In December 2023, the QAU Welfare Society successfully initiated its **5th Winter Relief Campaign**, with a special focus on children enrolled in the **EFA School System**. As part of this campaign, **25 school uniform sweaters**, worth **16,000 PKR**, were distributed among children from low-income families.

It is worth highlighting that the majority of these children are receiving education under the “**Teach the Talent**” Program of QAU Welfare Society, which aims to empower underprivileged students through quality education.
