

NEW YEAR GIFTS FOR CHRISTIAN COMMUNITY OF QAU- 2026

Executive Summary

The fifth phase of distributing gifts among the daily-wage Christian employees of Quaid-i-Azam University was initiated in January 2026. This initiative was conceived as a symbolic gesture of solidarity and inclusion - an effort to share in their moments of joy and to reaffirm that they are valued and respected members of our community.

Due to limited donations this year, the scope of the activity was necessarily modest, and we focused primarily on bringing happiness to their children. In this regard, 41 packets of milky toffees (Toffo 99) were distributed among the children of these employees as a small token of love, care, and appreciation.

While the scale of this effort was limited, its spirit remains strong. It was a humble attempt to spread smiles and foster a sense of belonging. We remain hopeful that, with greater support and increased contributions in the coming year, we will be able to expand this initiative and present more meaningful and valuable gift to further strengthen these bonds of compassion and unity.
