

WINTER RELIEF CAMPAIGN - 2025

In **January 2026**, the QAU Welfare Society launched its **7th Winter Relief Campaign**, continuing its commitment to spreading warmth and hope during the cold season. Following the successful model of last year, this year's campaign once again placed a special focus on children enrolled in the EFA School System.

As part of the initiative, **23 school uniform sweaters**, worth **18,500 PKR**, were distributed among children from low-income families — ensuring that financial hardship does not stand in the way of comfort and dignity.

It is worth highlighting that most of these children are already benefiting from the Society's flagship **“Teach the Talent” Program**, which strives to empower underprivileged students through access to quality education.
