Appeal for Educational Support of Needy Students

The advisory board of QAU Welfare Society and faculty of Quaid-i-Azam University give far more than their time. They contribute from their own personal resources, according to their financial capacity, driven solely by compassion and a commitment to serve those in need. Yet, the scale of hardship faced by deserving students extends well beyond what can be met from within the University alone.

This is where **your generosity can make a lasting difference.**

We humbly invite **philanthropists, alumni, and well-wishers** to join hands with QWS in sustaining hope and opportunity for those who need it most. Your support can ensure that financial constraints do not extinguish educational dreams.

You may contribute in any of the following meaningful ways:

- **Establish a scholarship** in your own name, in the name of a loved one, or an organization—creating a legacy of learning
- **Support students regularly** through monthly, quarterly, or annual contributions
- **Make a one-time lump-sum donation** to immediately impact multiple lives

At QWS, **transparency and trust are fundamental values.** Complete financial records are shared with donors, and all details are publicly available on the **Quaid-i-Azam University website**, ensuring accountability at every step.

Your generosity today can secure a student's tomorrow.

Together, we can transform compassion into opportunity.

Explanatory Notes – 2 (Cases of Online Payments)

Since Spring 2025, the University Accounts Section (excluding centers) has discontinued the acceptance of cross cheques for the payment of university dues. All fee payments are now processed through the online fee deposit system instead of cash or cross cheques. Accordingly, the financial assistantships listed below were transferred online through the KuickPay system.
