EMPOWERING TALENTED STUDENTS THROUGH COMPASSION AND SUPPORT

The **QAU Welfare Society (QWS)** stands as a beacon of hope for financially disadvantaged yet talented students of **Quaid-i-Azam University**. Established in **March 2011**, the Society has remained committed to ensuring that financial hardship does not stand in the way of academic excellence. Since its inception, QWS has awarded **684 need-based financial assistantships** amounting to **PKR 13,902,019**, directly benefiting deserving students across the University. These assistantships have enabled countless students to continue their education with dignity and confidence. The continuity and expansion of this noble initiative depend entirely on the **generosity of donors and well-wishers**. We warmly invite philanthropists, alumni, faculty members, and organizations to join hands with us in transforming lives through education.

Ways You Can Contribute

Option 1: Named Scholarships

Launch a scholarship in your own name, in the name of a loved one, or under your organization's title. Currently, multiple donors have chosen this meaningful option. QWS announces these scholarships every semester, and donors are provided with complete details. A summary of awards is also published on our official webpage.

Option 2: Regular Donations

Contribute a fixed amount on a **monthly, quarterly, or annual basis**. Donation details and utilization reports are shared transparently on our webpage, and donors are kept informed about how their contributions are spent.

Option 3: One-Time Donation

Make a **one-time lump-sum contribution** to support deserving students. As with all donations, full details of utilization are shared, ensuring transparency and accountability.

Your generosity can change lives: A Heartfelt Appeal

Every contribution—no matter the size—has the power to change a life.

Your support can mean the difference between a student discontinuing education and a student realizing his or her academic dreams. By contributing to the QAU Welfare Society, you are not merely donating funds; you are **investing in human potential, hope, and the future of our nation**. We humbly invite you to be a part of this enduring mission. **Join us in empowering deserving students today, and leave a lasting legacy of knowledge, opportunity, and compassion.**
